**Subject:** SDDL SOW  
2016-03-15 SOW2.docx

Julian, I received the marked up version of the SOW through the attorneys and accepted the PRPs' changes. With the addition of the SLERA, I wanted to specify when it would be due, so I added some language which is shown in the attachment in track changes. I sent this to Jim to send to Larry but thought I'd send it out directly to you too. Please see if the schedule for the SLERA makes sense to your group.

Leslie Patterson

Remedial Project Manager

U. S. Environmental Protection Agency, Region 5

Superfund Remedial Response, SR-6J
